Dear Mr. Ramakrishna,

Thank you for your letter dated 13th April. I have asked our bank to make enquiries as to why you have not received the monies due to you. I have had a reply informing me that there has been some error between the overseas banks and London City banks. They have promised to clear this matter up as soon as possible.

I will write to you again when I have confirmation of payment by the bank.

Yours sincerely,

  
Peter Brown
